

Jesus

What you will need:

- Template on page 2 printed on construction paper/card
- Paper plate/s
- Split pins (paper fasteners)
- Pictures or crayons to decorate the plate
- A glue stick
- A craft knife
- String
- Scissors
- A punch and a small nail or pen

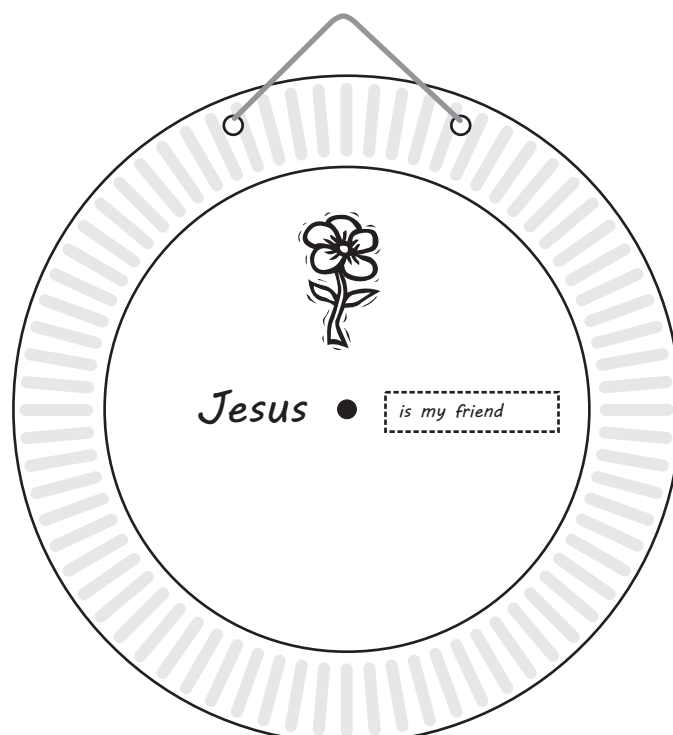

Instructions

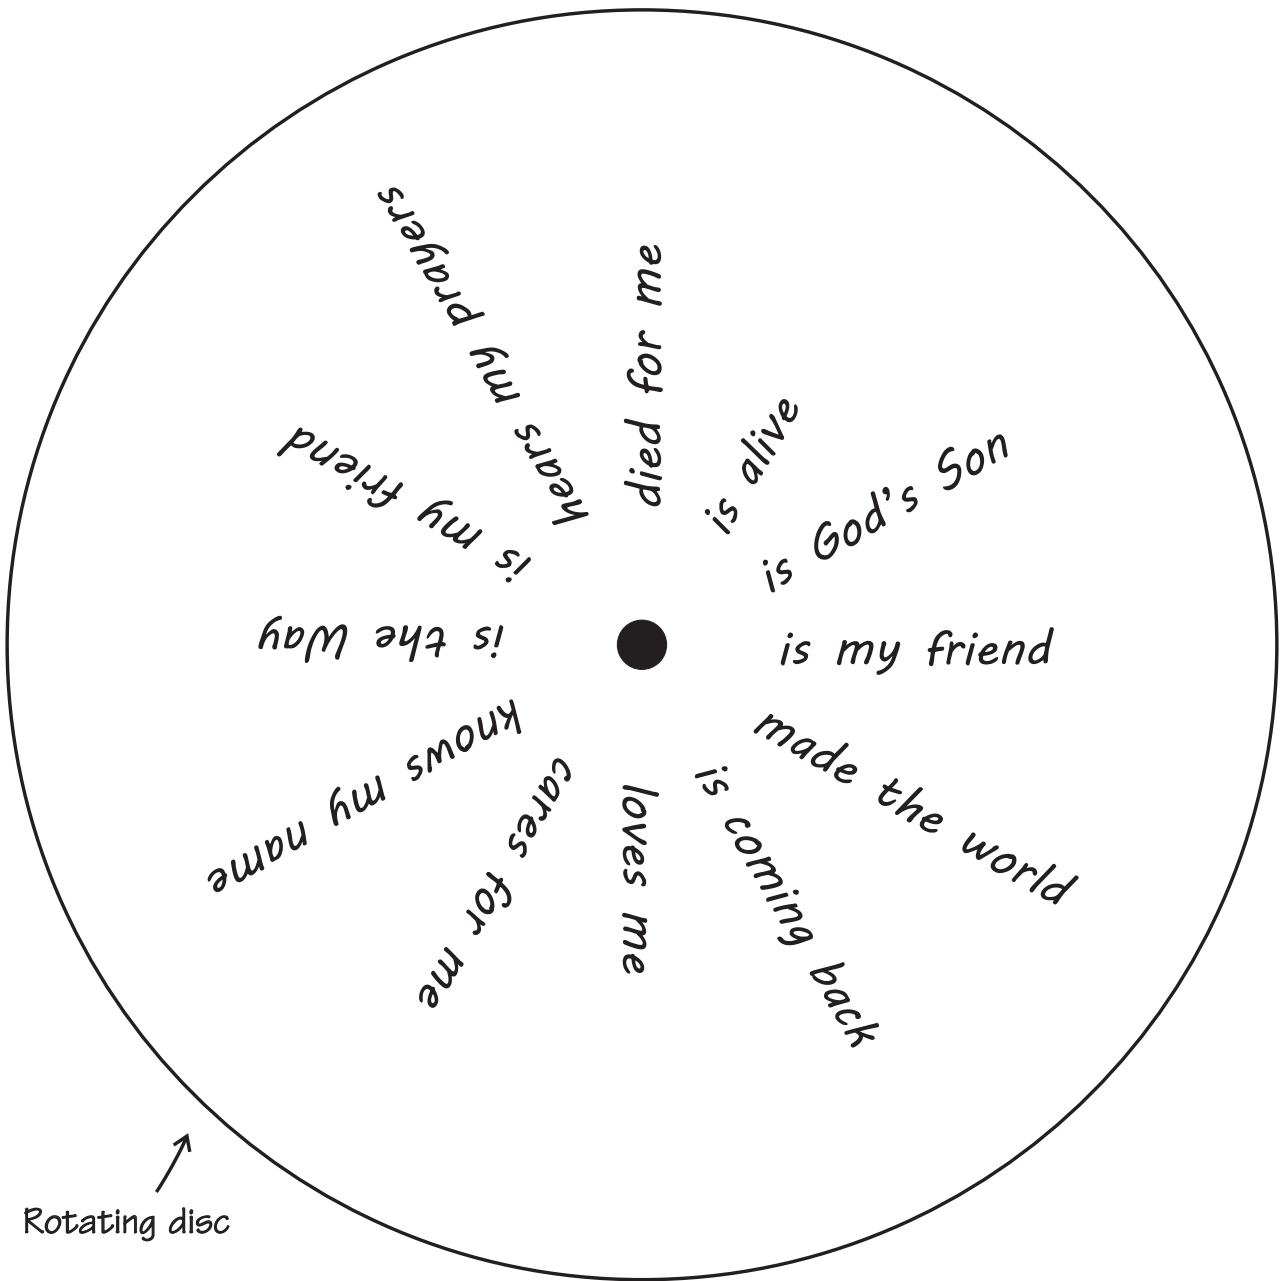

Preparation

- Cut out the cutting template on page 2.
- Use the cutting template to draw a rectangular outline on the plate as shown. Cut out the rectangle on each plate beforehand using a craft knife and cutting board or a cardboard underlay.

Activity

- Let the children decorate the plate and cut out the disc.
- Punch holes at the top of the plate for a string in order to hang the plate.
- With a pen, push a hole through the centre of the plate and the disc.
- Use a split pin (paper fastener) to attach the disc to the back of the plate.
- Glue the name 'Jesus' onto the plate as shown.

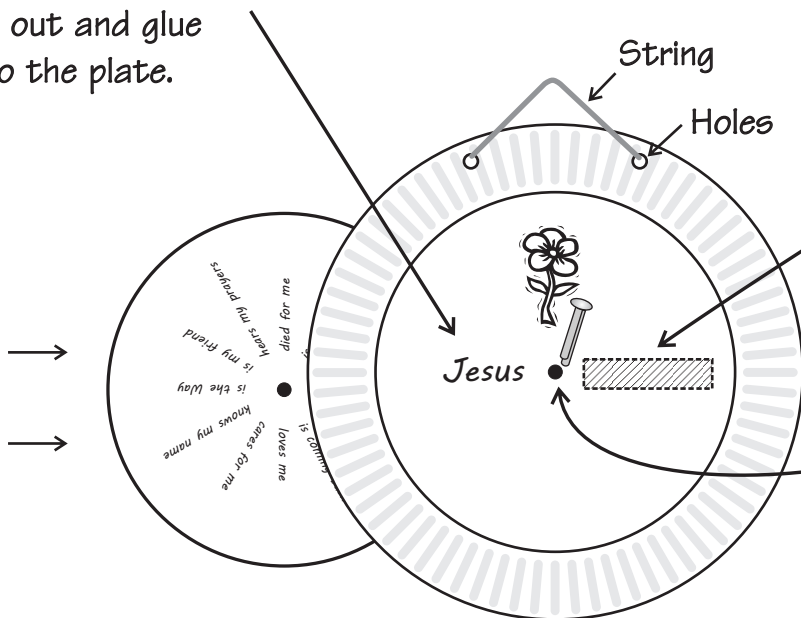

Jesus

Cutting template

Cut out and glue onto the plate.

Cut a rectangle out of the paper plate with a craft knife.

Fasten the disc to the back of the paper plate with a split pin.
