

Valentine's Day love specs

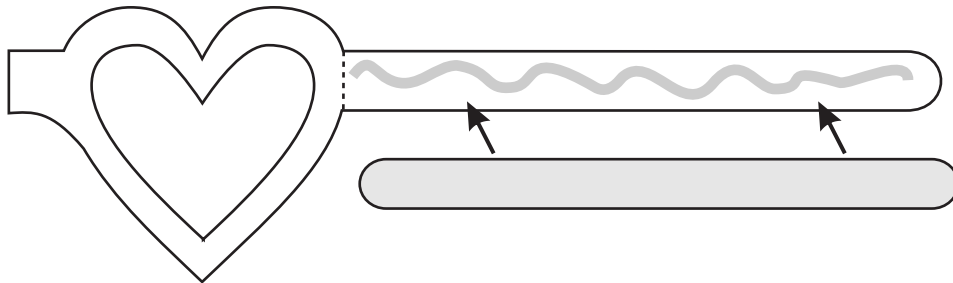

What you will need:

- A copy of the template printed on cardstock (construction paper)
- two ice cream sticks per craft
- Craft glue (white wood glue)
- Scissors

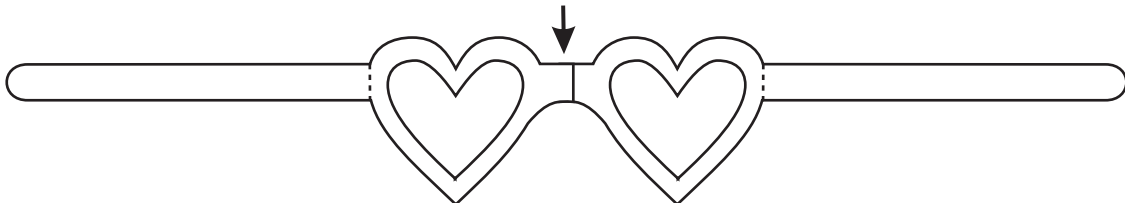

1. Fold the heart in half along the dotted line then cut along the solid line of the template.

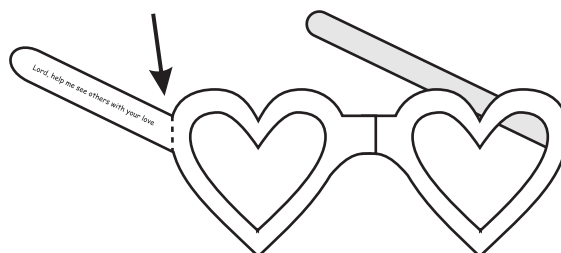

2. Glue an ice cream stick on to the blank side of each arm.

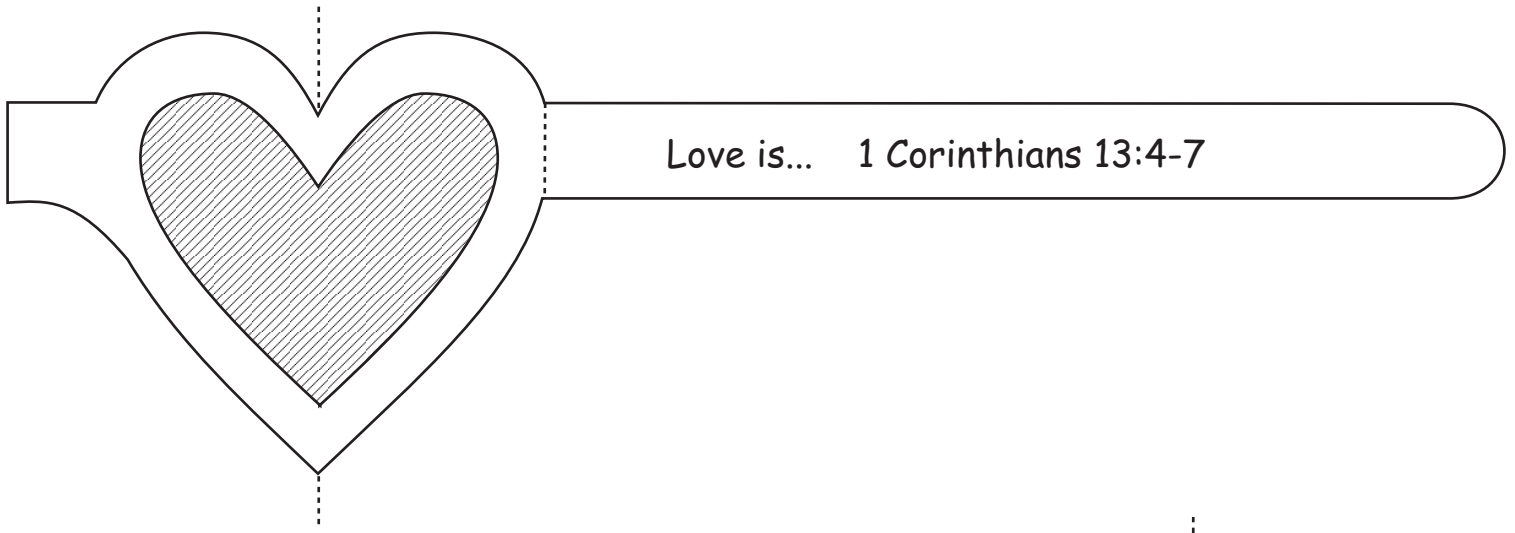

3. Glue the two halves together at the bridge.

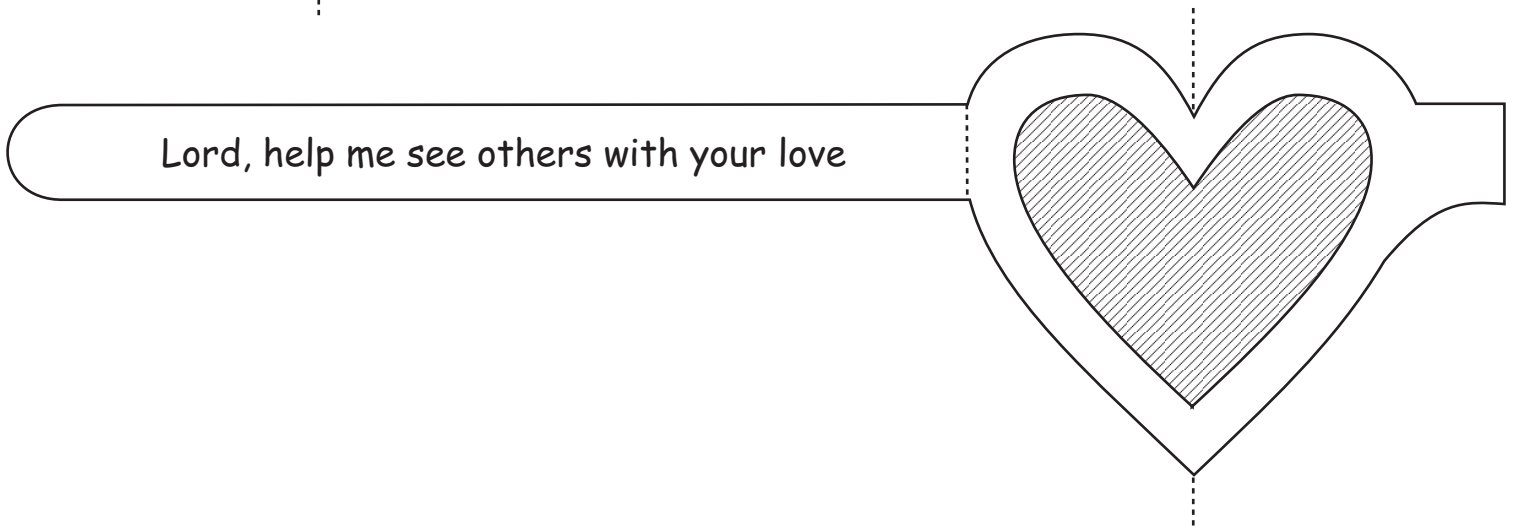

4. Fold back the two arms at the dotted line.

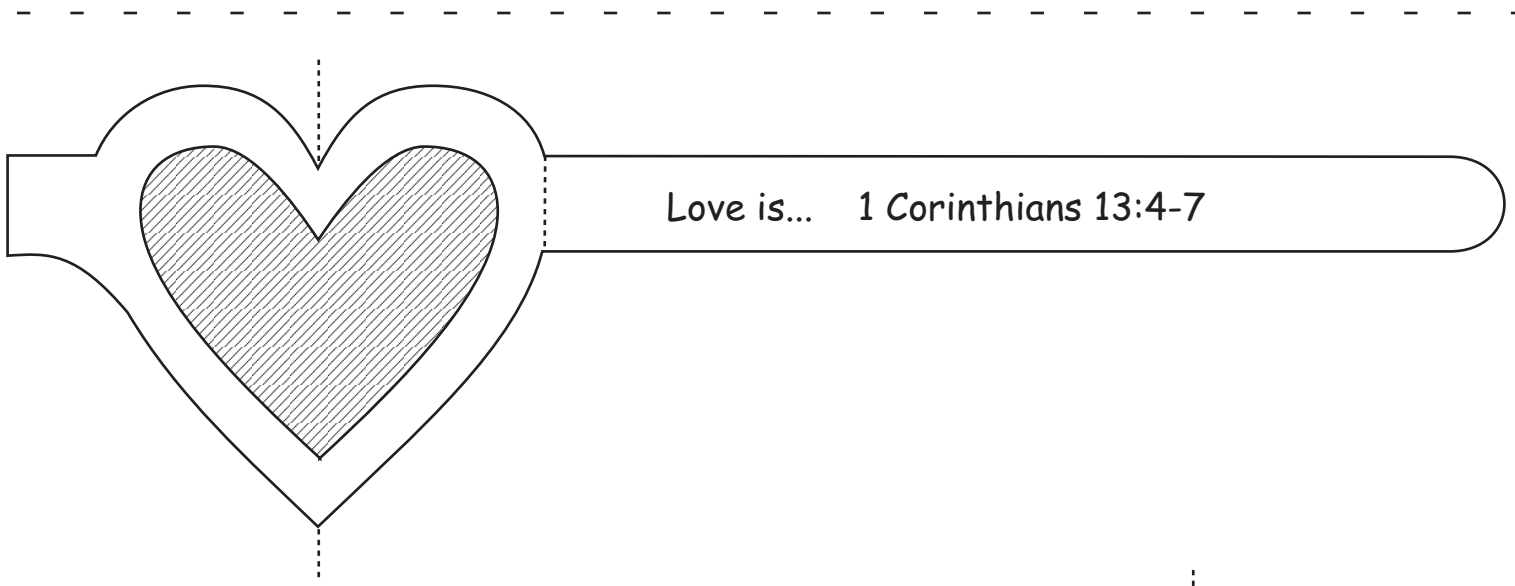

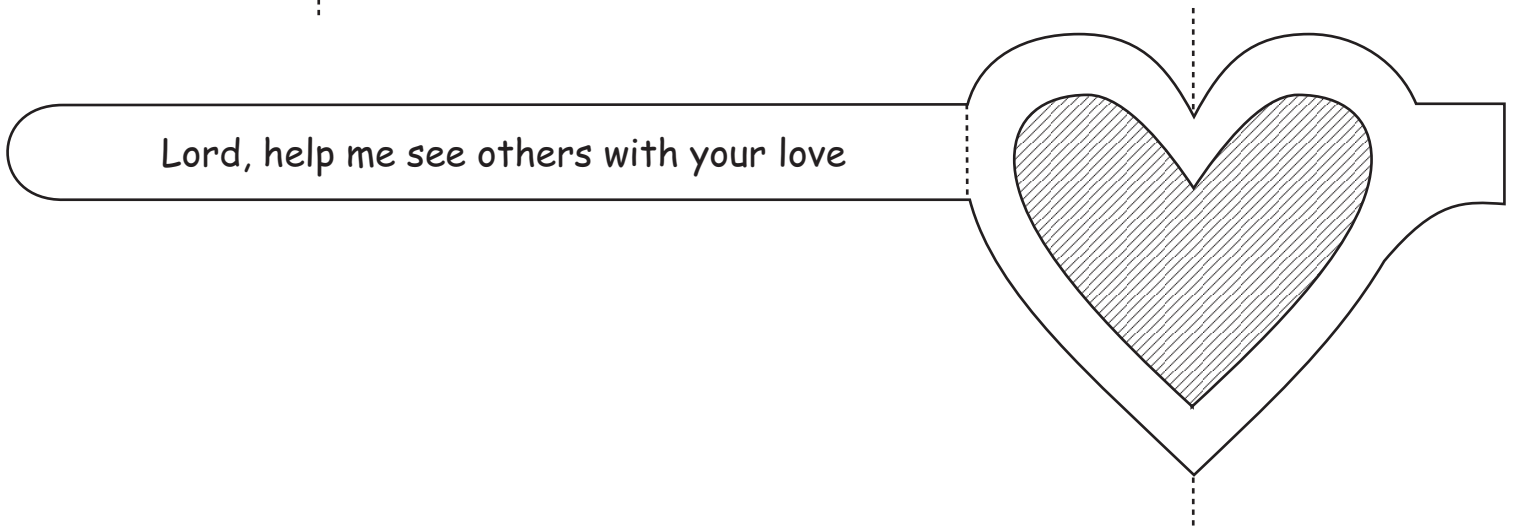

Love is... 1 Corinthians 13:4-7

Lord, help me see others with your love
