

# 'Promise Box'

What you will need:

- Page of verses printed on coloured construction paper/card
- Strip to cover the box printed on coloured paper
- One empty matchbox per child
- Paper glue (glue stick)
- Scissors

Preparation

- Print on coloured cardstock: page 2 (for cutting with a guillotine) or page 3 (for cutting with scissors). If possible, use six different colours of card (e.g. blue, orange, green, yellow, red and white). First do a test print to ensure that the verses fit into the matchbox. Resize the page if necessary. Print one sheet per child.
- Cut the verses in strips along the length of the page using the cutting marks as guidelines. Important: keep the strips in six separate piles. Place an elastic band around each pile to keep the strips together.

- Print the wrap-arounds on page 4 on coloured paper.
- Empty the matchboxes if they still contain matches.

Construction

- Let the children take one strip from each of the six piles making sure that they pick up a different colour from each of pile. In this way their box will contain verses printed on a variety of coloured cards.
- The children cut each strip along the printed lines to separate the verses.
- The verses can now be packed into the box.
- Glue the wrap-around paper on the outside of the box as shown on page 4.
